Dear Parents:

Thank you for your inquiry into the Scottish Rite Learning Center of South Texas. Our learning center works with children between the ages of 8 and 12. We implement *Take Flight: A Comprehensive Intervention for Students with Dyslexia*. *Take Flight* is a two year curriculum written by the staff of the Luke Waites Center for Dyslexia and Learning Disorders at Texas Scottish Rite Hospital for Children. Our Classes meet one hour a day, four days a week, Monday through Thursday.

For your child to be considered for our classes, we ask you to complete and return our Learning Center's Parent and Teacher Questionnaires and previous testing. After we receive these two completed questionnaires and testing results, we will review this information and discuss with you if your child would benefit from a future class in our two-year dyslexia program.

We look forward to hearing from you.

Sincerely,

Janet Flory, M.A., CALT-QI
Director
Scottish Rite Learning Center of South Texas
